optical character recognition and document image analysis have become very important areas with a fast growing number of researchers in the field this comprehensive handbook with contributions by eminent experts presents both the theoretical and practical aspects at an introductory level wherever possible

the structures of the life world is the final focus of twenty seven years of alfred schutz s labor encompassing the fruits of his work between 1932 and his death in 1959 this book represents schutz s seminal attempt to achieve a comprehensive grasp of the nature of

social reality here he integrates his theory of relevance with his analysis of social structures thomas luckmann a former student of schutz s completed the manuscript for publication after schutz s untimely death

this volume collects twelve chapters that present the multifaceted responses to the works of the william of ockham in oxford paris italy and at the papal court in avignon in the 14th century and it assembles contributions on philosophers and theologians who all have criticized ockham s works at different points in individual case studies it gives an exemplary overview over the reactions the venerable inceptor has provoked and also serves to better understand ockham s thought in its historical context the topics range from ontology psychology theory of cognition epistemology and natural science to ethics and political philosophy this volume demonstrates that the reactions to ockham s philosophy and theology were manifold but one particular kind of reception is missing unanimous approval contributors include fabrizio amerini stephen f brown nathaniel bulthuis stefano caroti laurent cesalli alessandro d conti thomas dewender isabel iribarren isabelle mandrella aurélien robert christian rode and sonja schierbaum

while learning a new language isn t a knack for everyone knack american sign language finally makes it easy the clear layout succinct information and topic specific sign language partnered with high quality photos enable quick learning by a bilingual author whose parents were both deaf and photographed by a design professor at the leading deaf university gallaudet it covers all the basic building blocks of communication it does so with a view to each reader s reason for learning whether teaching a toddler basic signs or communicating with a deaf coworker readers will come away with a usable knowledge base rather than a collection of signs with limited use 450 full color photos american sign language intended for people who can hear can be used with babies and young children

the third international conference on e commerce and technology ec 2002 was held in conjunction with the dexa 02 in aix en provence france this conference first held in greenwich united kingdom in 2000 is now in its third year and is very well established as in the two previous years it served as a forum bringing together researchers from academia and commercial developers from industry to discuss the current state of the art in e commerce and web technology inspirations and new ideas emerged from intensive discussions during formal sessions and social events keynote addresses research presentations and discussions during the conference helped to further develop the exchange of ideas among the researchers developers and practitioners who attended the conference attracted more than 100 submissions and each paper was reviewed by at least three program committee members the program committee selected 40 papers for presentation and publication a task which was not easy due to the high quality of the submitted papers we would like to express our thanks to our colleagues who helped to put together the technical program the program committee members and external reviewers for their timely and rigorous reviews of the papers and the organizing committee for their help in the administrative work and support we owe special thanks to gabriela wagner and maria schweikert for always being available when their helping hand was needed

a christian interpreter s code of ethics establishes a standard of ethical behavior and a written resource for those who believe god is calling them to participate in deaf ministry within the christian church setting it is about behavior and relationships not the beautiful expressive language of the deaf it is a workbook that presents real life scenarios to prepare the workers for the everyday life identifies frequent challenges and suggests resolutions to better serve communication needs provides scriptural support to assist decision making including guided prayers lays a foundation setting expectations for aspiring and tenured interpreters ministry leaders pastors and church staff what is stated here has been tried and tested and it works this is about behavior and relationships not sign language this is a guide not the law there are many books about starting managing and growing a deaf ministry but they were more about administration than behavior god prepared the author to write this book with a background in instructional design then sent many encouragers involved for decades in deaf ministry to support her efforts the initial goal of this book was and remains for the learner to better understand the roles and responsibilities as a communication link to perform with increased professionalism and to serve this special calling of god with a committed mind and heart

this book constitutes the conference proceedings of 6th international workshop on algorithmic bias in search and recommendation bias 2025 and 2nd international workshop on information retrieval for understudied users ir4u2 held in padua italy on july 17 2025 for bias 2025 3 full papers were carefully reviewed and selected from 7 submissions they focus on data preparation countermeasure development evaluation design and case studies on algorithmic bias in search and recommendation for ir4u2 2025 all 6 submitted full papers were carefully reviewed and accepted they focus on user centered artificial intelligence approaches aimed to better design develop and evaluate information retrieval systems that ensure true accessibility and inclusivity
