digital gaming is today a significant economic phenomenon as well as being an intrinsic part of a convergent media culture in postmodern societies its ubiquity as well as the sheer volume of hours young people spend gaming should make it ripe for urgent academic enquiry yet the subject was a research backwater until the turn of the millennium even today as tens of millions of young people spend their waking hours manipulating avatars and gaming characters on computer screens the subject is still treated with scepticism in some academic circles this handbook aims to reflect the relevance and value of studying digital games now the subject of a growing number of studies surveys conferences and publications as an overview of the current state of research into digital gaming the 42 papers included in this handbook focus on the social and cultural relevance of gaming in doing so they provide an alternative perspective to one dimensional studies of gaming whose agendas do not include cultural factors the contributions which range from theoretical approaches to empirical studies cover various topics including analyses of games themselves the player game interaction and the social context of gaming in addition the educational aspects of games and gaming are treated in a discrete section with material on non commercial gaming trends such as modding and a multinational group of authors from eleven nations the handbook is a vital publication demonstrating that new media cultures are far more complex and diverse than commonly assumed in a debate dominated by concerns over violent content

this text challenges the long tradition which sees human play as the fount of creativity and origin of all civilization the book traces the history of an alternative theory of play in shakespeare nietzsche and freud where play is an end in itself a cultivation of aesthetic forms which do nothing to disguise their artificiality and which are loved only for the fictions which they are nietzsche the arch philosopher of play freud the theorizer of slips and jokes and shakespeare master of the man made illusions of the play world are

shown to anticipate the playful philosophy which has become a hallmark of postmodern times
